6- EVALUATION

6.1. Master's and Doctorate: the selection of candidates consists of a Written Exam (Eliminatory), Curriculum Analysis, and Interview (based on the work plan).

6.2. Written Test - the written test consists of the interpretation of a scientific article written in English (example at <http://www.pos.entomologia.ufv.br/selecao/>).

6.3. The test is the same for Master's and Doctoral degrees and is administered using Google Forms. It starts at 8:00 am and ends at 11:30 am (Brasilia time). Instructions will be sent by email to candidates with confirmed registration. A score from zero (0.0) to ten (10.0) points will be assigned. The candidate who does not obtain a score of at least 5.0 (five) points will be disqualified.

6.4. Evaluation of the academic record and curriculum: consists of the analysis and evaluation of the summary curriculum submitted at the time of registration. The summary curriculum is submitted using a special worksheet for the Graduate Program in Entomology. Completion of this worksheet is also a form of evaluation. The candidate is responsible for the information contained therein. Not providing a summary curriculum at the time of registration will result in a grade of zero for the curriculum.

6.5. Candidates who have been admitted in the written examination will be subjected to an interview based on the work plan and academic profile (item 1.2).

6.6. The interview will be held via Google Meet - the meeting link will be forwarded to the candidates and the session can be recorded. Candidates can choose not to have their video

recorded. A score from zero (0.0) to ten (10.0) points will be assigned. The candidate who does not achieve a score of at least 5.0 (five) points will be disqualified. The technical and scientific skills and professional aptitude for admission to the Master's and Doctoral program are evaluated.

7- FINAL CLASSIFICATION

7.1. The final grade is obtained from the weighted average of the scores achieved in the tests, each test being weighted as follows: written test - weight 1.0 (one); evaluation of academic record and curriculum - weight 1.0 (one); oral argument - weight 1.0 (one).

7.2. Descending order of final grades will be considered in ranking admitted candidates.

7.3. If admitted candidates drop out, other admitted candidates may be called in at the discretion of the Program Coordinating Committee to fill the remaining vacancies, following the ranking order.

8- FINAL PROVISIONS

8.1. Disqualified and automatically excluded from the selection process are those who:

8.1.1 Fail to submit all required documents within the deadlines and conditions specified in the selection process.

8.1.2. Make statements and/or submit false documents, using illegal means to carry out any of the selection stages.

8.1.3. Fail to confirm their participation in the program by the specified date if selected.

8.2. Successful applicants must keep their contacts up to date.

8.3. Omissions will be decided by the Coordinating Committee of the Graduate Program in Entomology in accordance with the Program Regulations and the UFV Academic Graduate Regulations.
